

## **HOST POOL INFORMATION**

### Requirements for home host pool:

- Pool to be accessible by side gate or walking around to pool location
- Pool must be in-ground
- Allow home pool to be used by Certified ISR Instructor for minimum of 3 hours of use
- Allow instructor to use pool Monday-Friday for same 3 hour block of time each day
- Allow instructor use of pool to be used for full 6 week session
- Pool temperature to be maintained between 78-87 degrees (Heated pool)
- Chemical levels maintained
- Bathroom use not required (no one will be trekking thru your home)
- If inclement weather happens and lesson cancellation occurs Instructor may ask host pool to conduct possible make up lessons as needed on occasional weekends (would happen 1<sup>st</sup> thing in morning if occurs)

### Requirements for Certified ISR Instructor

- Maintain Liability Insurance (will provide copy to home owner)
- Maintain ISR certification (will provide copy to home owner)
- Maintain CPR/AED First Aid certification (will provide copy to home owner)
- Will have each family parent/participant complete liability waiver
- Will conduct ISR lessons only to those students that have completed the National ISR registration requirement
- Advertise session for host pool location

### Benefits for host pool:

- Children get reduced or free ISR lessons (value is \$600+ per child) – ISR registration still must be completed by host pool family for each child (\$105.00 per child non-refundable no exceptions)
- Do not have to travel to a location for lessons
- You are helping other families add a safety layer of protection for their children

**IN ORDER FOR A SESSION TO BE HELD A MINIMUM OF 12 STUDENTS MUST BE ENROLLED 1 WEEK PRIOR TO START OF SESSION**
